

HOMETOWN HERO:

Elissa Lively

“There is never a wrong time to reach her or to ask a question.”

I met Elissa through Infants and Toddlers. She was my son’s teacher. When he was ready to start his ECI class, she was there for Justin.

Elissa is an amazing person; there is never a wrong time to reach her or to ask a question. She is always ready to help.

Her positive energy and kindness truly deserves to be noticed. Elissa also was able to get a group of moms who have children with autism together once a month just to talk and have some ‘me’ time. Elissa is a part of Justin’s life, but also our family. She will always have a special place in our heart.
