

HOMETOWN HERO:

# Jennifer Vosburg

**“Jennifer has been a cherished advocate for my son and all the children with ASD at Hebron-Harman.”**

Jennifer Vosburg is one of the amazing special education teachers at Hebron-Harman Elementary. For the past three years, she has worked tirelessly with my son and his general education teachers to make sure that he has the services and understanding he needs to be successful in school and in life.

Through our most difficult times, Jennifer has met the challenges with a sweet smile and soft, kind words of hope and encouragement. She gave me the strength and tools I needed to help my son reach his full potential. Jennifer has been a cherished advocate for my son and all the children with ASD at Hebron-Harman, bringing together the children, parents and school staff to help create a nurturing and accepting environment in which our children learn and thrive.

Jennifer makes a difference in the lives of her students every day and should be honored as a Hometown Hero for her unwavering commitment to our children and our community.
